Juneau Youth Wrestling Club DRUG ABUSE POLICY

All youth members are expected to refrain from using, possessing, or being under the influence of tobacco, alcohol, drugs, steroids, or non-prescription controlled substances at all times, including evenings, weekends and holidays during the term of membership. Members are also expected to refrain from using or possessing drug paraphernalia and disassociate themselves from situations where alcohol or non-prescription controlled substances are being illegally used.

All adult members are expected to lead by example and refrain from all of the above activities in the aforementioned statement during all JYWC events. In addition, all adult members are expected to refrain from using, possessing, or being under the influence of drugs, steroids, or non-prescription controlled items at all times, including evenings, weekends and holidays during the term of membership.

A member who violates the drug abuse policy shall be suspended from all club activities for a period of up to one year. This period may be reduced if the member agrees to participate in a mandatory intervention program.

All youth and adult club members are subject to random drug and alcohol testing throughout club tenure upon request of two or more board members when a reasonable suspicion of abuse exists. Refusing to take a drug or alcohol test when requested by the board will result in a one year suspension from all club activities.

All drug testing will be at the expense of the Juneau Youth Wrestling Club.
